Engage With Others

Through cost-effective and strategic networking events, professional development, and committees, you will have every opportunity to meet, connect and build relationships with other members and strategic partners.

Events:

Our full calendar includes a range of diverse events from large to intimate. Our five categories of events include:

Classic Events - Our Classic events are enjoyed by a large variety of members, as they are filled with networking opportunities in a sometimes casual and welcoming setting. Classic events include our monthly Chamber Connects, Mini-Golf, Trunk & Meet, Professional Development and other member favorites.

Premiere Events - These events have a community feel to them. They attract a cross-section of members and influencers in the region. They often include light meals, beverages and some programming.

Mega Events - These are large, well-attended events that bring together stakeholders and members throughout the region. Mega events attract a larger, more influential audience. Programming often includes speakers, presenters and/or panelists with breakfast, lunch or dinner.

Signature Events - We have two "Signature Events." They are the State of the County breakfast held every January and our Annual Golf Tournament, held the 2nd Monday in September. Both provide strong opportunities to spend quality time with members and other stakeholders in the region.

Partner Events - We enjoy strong relationships with other regional and local chambers of commerce, as well as business associations. These events are perfect for getting to know professionals from around the community and region.

See our 2023 calendar on the back page of this guide.

Committees:

Consider joining one of these committees to get even more engaged with other influential members. Committee participation is approximately a three to five-hour per month commitment.

- Marketing • Government Affairs • Ambassador • Education • Events • Crew on D.E.C.K.
